

2012 Night Lights Parade
Friday November 23rd
6:30pm

Theme: "Peace on Earth"

Lights: This is a night parade so all entries must be illuminated, including walkers. Car entries must be decorated with lights.

Santas: There will be one Santa and one Mrs. Claus in this parade provided by Old Town Pocatello.

Candy: DO NOT throw candy from floats or vehicles because children run into the street to get it. You MUST use walkers to hand out candy or flyers.

Safety: Please carry a fire extinguisher if you are using a generator.

Entry Fee: \$40 if paid by November 16th and \$45 afterwards. Fees should be paid to Old Town Pocatello Inc.

Line Up: Entries may start checking in at 4p.m. The check-in point will be under the Benton bridge on 1st Avenue, four blocks south of Center. Entries will be lined up along 1st Avenue starting at the East Lewis intersection. Volunteers will again be coordinating the lineup and parade start.

Judging: Judging will take place from 5:30-6:00 p.m. To be considered, your entry should be assembled and running when the judges see it. Please understand that it takes time to judge all the entries.

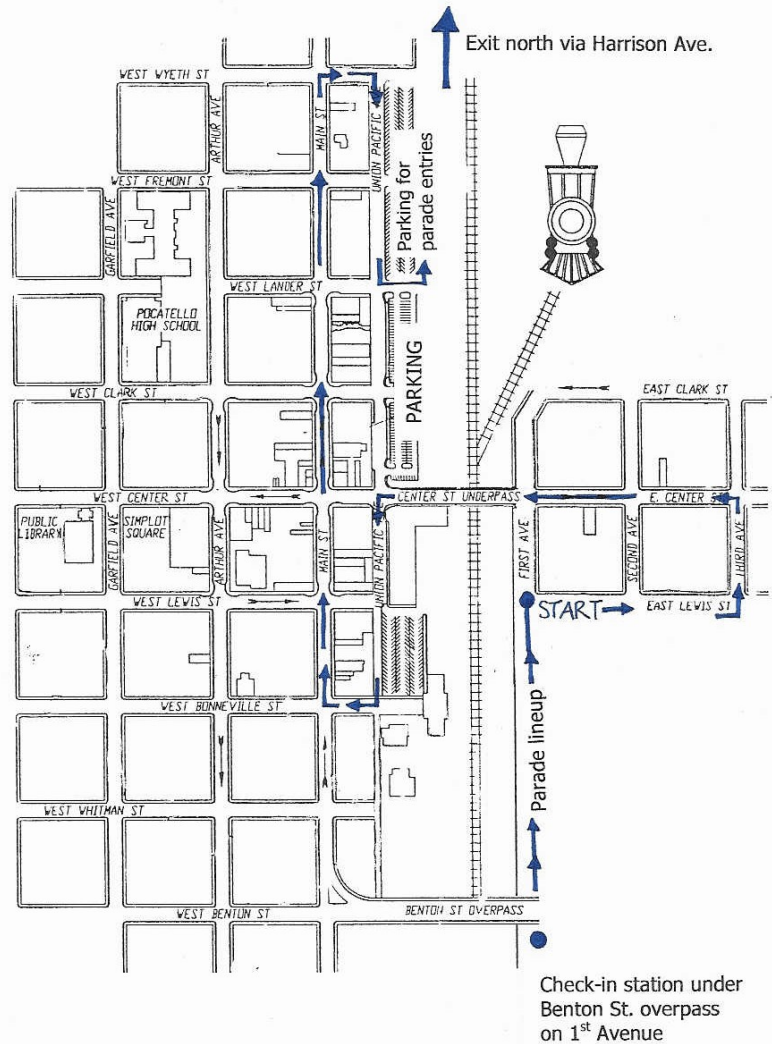

Parade Start: The parade will start moving at 6:30 p.m. Entries will go in the order that they arrived in the lineup with the possible exception of trophy winners.

Parade Route: Please refer to the map. Note that your entry will need to go through the Center Street underpass, which has a **12' 2" clearance**. There is also a tight turn in front of the island on the west side of the underpass. Please make sure your entry can manage this and other turns along the route.

Parade End: Please refer to the map. Entries will be directed into the northern half of the Union Pacific parking lot. Floats and other vehicles may exit to the north via Harrison Avenue.

Thank you for your participation in this traditional community event. If you have any questions, please call the Old Town Pocatello office at 232-7545 or e-mail spalagi@oldtownpocatello.com.

Parade Route
